### THE ROUND UP

#### ALL THE "CHIP" THAT'S FIT TO PRINT

It all started in 1951 as a 600 sq ft beer and bait stop on the way to Bartlett Lake. It's grown a lot over the years, 8000 sq ft indoors and 2 acres of outdoor venues with seating for up to 2000 people. An arson fire in 2015 burned the "Chip" to the ground, but it was completely rebuilt with lumber and findings from an antique Sawmill in California. Ten months later the "Chip" you see today was reborn from the ashes. We never closed during the construction. People wonder about the Green Bay Packer connection at the Buffalo Chip. It was born out of the original ownership of the "Chip" by the legendary Green Bay Packer tight end Max McGee from 1985-1998.

It was then purchased by Larry Wendt, the current owner. Since that time, the Buffalo Chip has become one of the biggest and busiest Western eating, drinking, and entertainment venues in the country. We have live entertainment 7 days a week, award winning Bar-B-Que, and the best staff in Cave Creek. We serve ice cold drinks at a fair price and strive to give you, our friends and customers, the best value in the country. As Larry often says, "600 cases of beer and 3000lbs of Bar-B-Que a week tells me we are doing something right!" So what do we serve? All of our food comes with 2 choices...Take it, or leave it. But as we always explain, if you are really hungry, or really drunk, you'll LOVE IT! Seriously, we offer a great menu of Western and Tex Mex inspired food that has won 22 awards from New Times "Best of Phoenix" to Sunset Magazines "Best of the West" over the last 20 years. We also compete and win, in BBQ contests and Chuck Wagon cook offs all over the country. Thank you for coming in. Whether you traveled around the globe, or around the block to visit us, we truly appreciate it and will prove that to you!
